B+B's / hotels that will require a car / transport

Note: buses and walking may be possible but you would need to enquire about this.

Hotels

- 1) **ETAP hotel** – similar to Travelodge – is located near the Don Valley Stadium. I read a review that said the rooms sleep 3, the 3rd bed being a bunk above a double bed. Do check first. Apparently the rooms have no tea and coffee making facilities. I suppose if they have a power point you could bring your own. The price for a room (sleeps 3 apparently) £32 per night – no breakfast.
- 2) There are **Travelodge's** around the city. Look on the Travelodge website for further information. Possible to get cheap deals through Expedia.com. Be aware that the Travelodge in the centre of Sheffield is more expensive and has no parking for cars.
